ISSUE 1 CEREAL BOX

1 GENERAL INFORMATION

CONCEPT

motherboard/sb

DESIGNER

ashskates

CLASSIFICATION

stay at home fingerboard skatepark / obstacles

2 INTRODUCTION

Are you super bored of being in the house ALL DAY? Family driving you CRAZY? Do you miss going outside to SKATE?

If YES then these DIY fingerboard SKÄYTPÄRK zines are perfect for you! MÖTHERBOÄRD/SB invites you to join indoor family fun while creating your own personalised DIY fingerboard skatepark. Over the next few weeks, we will create pdf's which feature traceable patterns to make miniature skate obstacles. Step by step you can build your own skatepark.

MÖTHERBOÄRD/SB is curating 'EVERYONE on BOARDS' CIC - a community programme empowering young people and families through skateboarding sessions and workshops. ASHSKATES a.k.a ASH BAIGENT is a designer/skater/maker.

3 DESCRIPTION

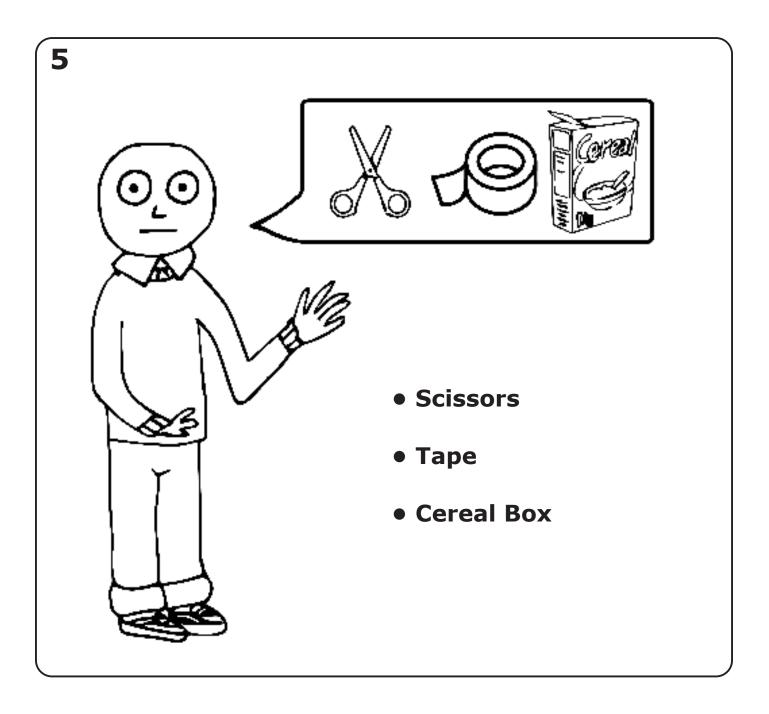

Hurry up and eat your cereal, man!

This exercise takes cereal boxes (or any food product box made of card), and turns them into awesome skate ramps you can use INDOORS!*

*For use with fingerboards, not full-size skateboards.

4 TOOLS

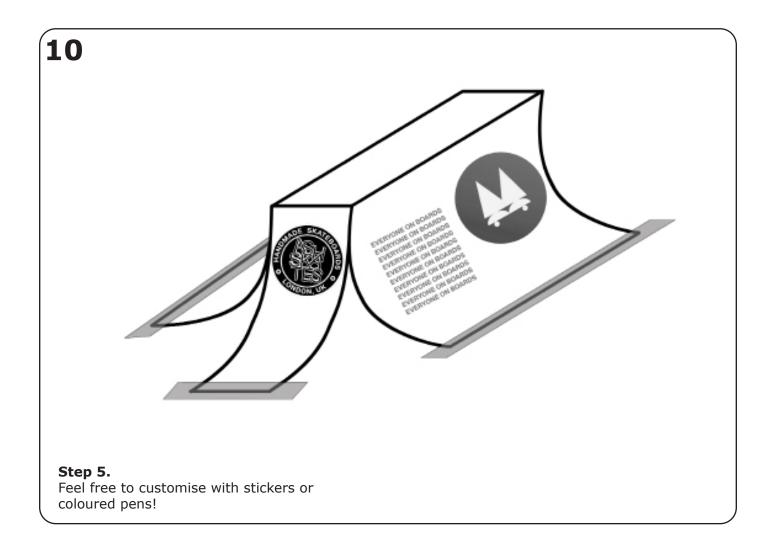

- This instruction manual.
- At least one cereal box (or other similar shaped box).
- Scissors (Not to be used on each other!)
- Sticky Tape (whatever you've got).
- A fingerboard (for afterwards!!!)

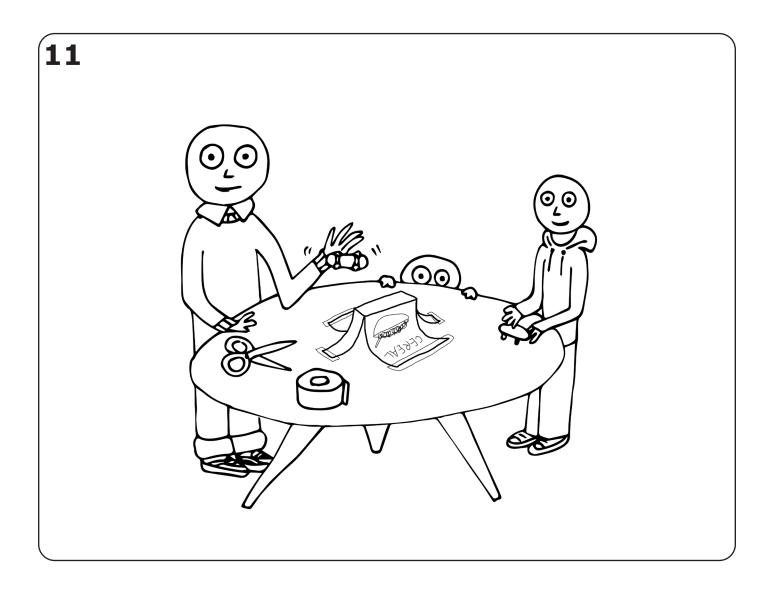

SCISSORS TO BE USED WITH ADULT SUPERVISION
